Description

Vocabulary + Fun = Mots cachés If you thought that reviewing French vocabulary meant memorizing long lists of words, think again! This book of Mots cachés (Hidden Words, or Word Search) puzzles lets you review French vocabulary through a series of puzzles presented in increasing order of difficulty. In order to solve each puzzle, you have to pay close attention to the spelling of each word. Doing so will help you remember those words better. The fun part of it is that you can actually relax with a good puzzle while learning and reviewing selected groups of French vocabulary. In the second section of this puzzle book, you will find a French-English lexicon featuring all the words used in the puzzles. When you are done enjoying all the puzzles, you will have reviewed more than 900 words in forty categories. If ever you need help in solving a puzzle, you will find all the solutions at the end of this book. Bonne chance ! (Good luck !)
